Don is loading the last of the stuff in the trunk of the car. Lexi and Megan are saying bye to their friends as they walk over to their mom Alice. Don closes the trunk and walks over to Alice and puts his arm around her and they all look at the house.

ALICE

This was our first house.

I don't want to move.

DON

When you see the new house in  
Aliante you will be fine.

ALICE

No more cold winters.

DON

Yup. 100 degree weather, and a pool  
right in the back yard waiting for  
your two, and your friends, and  
it's Vegas

LEXI

And don't forget my car you  
promised me.

DON

So are we ready to go?

ALICE

Lets go.

DON

2 INT CAR DAY

2

Don is driving , the girls are in the back seat looking out the window, and Alice is half asleep.

DON  
Eight more hours and you will see  
the bright lights of vegas.

LEXI  
Can't you drive faster so we can  
get there quicker? We have been in  
the car for 4 days now.

DON  
I am going as fast as I can.

LEXI  
Well let me drive then, and I'll  
get us there faster.

ALICE  
Isn't she asking for a car when we  
get to Vegas?

DON  
I was just thinking the same thing.  
I hope you don't plan driving fast  
because you will loose your  
driving privileges.
