49 EXT ZACH'S HOUSE NIGHT

49

Zach walks out the front door and walks over to Lexi.

ZACH

I saw you from my bedroom window.  
Are you going for a walk or coming  
to see me?

LEXI

I was coming to see you. Do you  
have a few minutes?

ZACH

Sure. Do you want to come inside?

LEXI

No let's stay out here. There are  
still some fireworks going on.

They walk over to the brick railing and sit on it looking up at the fireworks.

ZACH

Is everything alright Lexi.

LEXI

When I got home tonight I planned  
on doing my night stuff but I  
couldn't because all I could think  
of is that I let you down

ZACH

Why do you think you let me down?

LEXI

When I didn't let you kiss me.

ZACH

You're not ready. I don't want to  
rush you.

LEXI

But I am ready it's not that.

ZACH

What is it then Lexi I'm confused.

LEXI

I'm scared. I don't know what to say, I don't know what to do. I don't even know if I am a good kisser or not. When I tried to figure out with my bear my sister walked in.

ZACH

What.

LEXI

That's not important right now. What if I am just not good at it. I am just not sure of anything.

ZACH

Good at what I guess I am not following.

LEXI

I liked this guy Jerry. Seemed like we were always together and if we weren't then we were always on the phone. He was the first voice I heard in the morning and the last before I went to bed. I really thought he liked me to as much as I liked him. He always tried to kiss me kind of like you did but the difference between him and you is I wasn't ready with him. My not being ready with him was a big deal and my need to wait didn't really matter to him. Everything happened so fast and the next thing I know he's trying to rape me.

ZACH

Oh know I am so sorry.

LEXI

He wasn't successful though. My sister heard the noise and ran in the room and helped me get him off me. Until now her and I are the only one who knows about this. I never told anyone not even my parents, but now you see why the martial arts came into my life.

ZACH  
I'll never tell anyone and thank  
you.

LEXI  
For what?

ZACH  
For trusting me with that, for  
telling me something you have not  
shared this with anyone else. I am  
fine with how things are with us  
now. I've had so much fun with you  
this past week you're so worth the  
wait. When you are ready.

She stops him by interrupting him with her finger to his lips

LEXI  
Stop I'm ready now.

Lexi leans in and kisses him under the fireworks.
